## A Warm Welcome from Southern Italy

Welcome to Via Carducci, which is the name of the street I grew up on back in my home village of Calabria, Italy, located high atop the picturesque mountains of Southern Italy overlooking the majestic Mediterranean. Calabria is one of the world's most peaceful and beautiful places.

As a reminder of our beloved Calabria, Via Carducci, features a hand painted brickwall in the dining area which is modeled after the exterior of my own family's home. The view of the Piazza, as seen through the doorway, is the same relaxed scene one could view from within our home.

When I first opened Via Carducci in June 1996, it was my intention to recreate the relaxed way of life and foods of Calabria. Our selection of menu items are typical rustic Southern Italian. Considered to be one of the best diets in all the world, rustic Southern Italian cuisine features plenty of natural ingredients from the four basic food groups.

Here at Via Carducci, we use only fresh ingredients to ensure the best possible quality and we feature regional Italian wines that best compliment the cuisine of Southern Italy.

Since we cannot take you back to Calabria, we have brought a little of Calabria to you. Sit back, relax and enjoy the good food, good wine and good life, which is Via Carducci!
